

MANUFACTURING MATTERS!

JOIN THE FIGHT FOR GOOD JOBS

THURSDAY, MAY 17th

7:00 p.m.

**Toronto City Hall
Council Chambers**

In the last five years, tens of thousands of manufacturing jobs have been lost in greater Toronto. These were good paying jobs, providing decent wages and benefits.

Thousands more are at risk unless we get our provincial and federal politicians to start taking action.

Come to this public forum - the first step in letting our politicians know these are jobs worth fighting for!
