

TO ALL SUPPORTERS OF YELLOW BRICK SHELTER WORKERS, MEMBERS OF CUPE 3636:

Thanks to all who have emailed their outrage about the lock out of workers at the Yellow Brick House Women's Shelter in Aurora, and the forced removal of women and their children from the safety of the shelter. Women and their children are now being housed in motels and are being given coupons for fast food restaurants.

The Local will be on the picket lines as follows:

9 - 11 am and then again from 2 - 6 p.m.

The Shelter is located at 37 Wellington Street E., Aurora.

From 11 to 2 each day, workers are leafletting in the community, faxing and making phone calls to various supporters within York Region.

If you can't make it up to Aurora, CUPE 3636 is requesting you call, fax and email the following key politicians. Tell them

1. The women and children who reside at the residence and the women who work there are being treated without respect or care for their well-being.
2. Yellow Brick House is funded by both the Provincial Government and the United Way and that they are one of the most aggressive fundraisers in York Region. Their budget is more than adequate to provide the best quality services to the residents and a fair wage to all the members of the local.
3. The Town of Aurora and the Provincial Government cannot sit back and allow this injustice to happen to one of only two women's shelters in the whole of York Region.
